

Food Relief Program

Do you know anyone who would benefit from our Food Relief Program?

We have a few places available for members of our community who are experiencing hardship and would benefit from receiving our fortnightly Food Relief Program.

This program provides affordable groceries at a low recovery fee. The service can be accessed by low-income earners, holders of a concession benefit card, people with disabilities, seniors and young families are encouraged to apply.

We have a few places available to join our Food Relief Program.
